

For parents

- Please make sure students arrive to the lesson at least 5 minutes before and that they are dressed appropriately for the lesson
- Please make sure younger students have gone to the toilet prior to the lesson
- You are more than welcome to wait in the foyer area at the Hampton Community Centre, however be mindful of keeping the noise level down and leaving the space clean and tidy
- There is to be no food and drink to be consumed in the hall with the exception of a water bottle
- Students are welcome to wait in the foyer providing they are quiet and leave the space clean and tidy
- Students should be collected as soon as possible after their class as Alanna's Theatre and Dance Studio staff are unable to provide supervision in the foyer
- If your child needs to leave a class early, they should tell their teacher at the start of the class
- Parents/guardians are not permitted to watch classes. They will be invited to attend a viewing day during the last week of each term where students will share their work
- Parents will be unable to speak to Miss Alanna during or after classes as there is no time between classes. If you do wish to contact Miss Alanna email is the best option or you can call and leave a message and she will get back to you at her earliest convenience. You can also arrange a time to speak after classes have finished for the day.

THANK YOU
